Yunokawa Hot Springs
※Service between Hakodate (H75) and Kikonai (sh01) is operated by South Hokkaido Railway.

◎ Note
Kitaca, Suica, and other IC cards can be used in the areas indicated above. They cannot be used outside these areas. Please board after buying a paper ticket. Passengers who have already used their IC card to board and have ridden outside of the IC card use area should talk to a station staff.

You can check the train status information in these areas by website.
http://traininfo.jrhokkaido.jp/monitor/index_e.html

Due to station closures and other reasons, there are portions where numbers don’t continue.
